

DARK ANGEL COMBAT SQUAD BANNERS: 6TH COMPANY [RESERVE]

Shown below are the current combat squad banners of the 6th Company - they are carried into battle by squad leaders and act as rallying points and inspiration for greater exertion as well as carrying the blessed icons of the Emperor's Finest into the very midst of the enemy.

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
