

4TH COMPANY MASTER MAZARIUS' BANNER

Shown below is the "Black Sword" personal banner of Master Mazarius. This is the Masters' current livery [two previous banners were destroyed in battle] and was consecrated by the Emperor himself. The two previous designs are also shown.

It should be noted that once destroyed, captured or lost a livery cannot be reused. A new version [bearing similar motifs] must be devised. Reference taken from <Liturgis Honorum of the Dark Angels>.

The first

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
